VOLUME 96

1984

******

A **MONTH/PAGE**

Ada Software Engineering Environment for Navy Mission Critical Applications; Rationale for an
by LCDR. KATHLEEN K. PAIGE & ROBERT A. CONVERSE ..... July 133
ADAMS, JOHN D. *with* W.F. BEVERLY III
Technical Evaluation of the SES-200 High Length-to-Beam Surface Effect Ship ..... May 77
ADAMSON, WAYNE L. *with* JOSEPH F. PIZZINO, & WILBUR SMITH
Experiences with Reverse Osmosis Desalination Aboard USS *Fletcher* ..... May 69
ADEMA, CARL M. *with* PAUL SCHATZBERG
Organotin Antifouling Paints and the Environment — Drydock Phase ..... May 209
Advanced-Cycle Gas Turbines for Naval Ship Propulsion
by THOMAS L. BOWEN & DANIEL A. GROGHAN ..... May 262
An Advanced Methodology for Preliminary Hull Form Development
by WEN-CHIN LIN, WILLIAM G. DAY, JR., JEFFREY J. HOUGH, ROBERT G. KEANE, JR.
DAVID A. WALDEN, IN-YOUNG KOH ..... Jul 147
Advanced Technology in Ship Design Analysis and Production
by M.N. PARKER, A.Y. ODABASI, P.A. FITZSIMMONS & C.J. GOGGIN ..... May 233
Antifouling Paints and Shipboard Evaluation; Development of Long Life
by CHRISTOPHER P. COLOGER ..... Jan. 25
Application of Fiber Optic Technology to Shipboard Use: Near and Far-term
by RONALD A. SWAIN & DAVID C. POYER ..... July 165
APPLEBEE, TERRENCE R. *with* A. ERICH BAITIS & THOMAS M. MCNAMARA
Human Factors Considerations Applied to Operations of FFG-8 and LAMPS MK III ..... May 191
Arctic Trafficability Program — A Review
by RICHARD P. VOELKER, IAN F. GLEN, FREDERICK SEIBOLD & IAN BAYLY ..... May 169
ASNE Day 1984 — Acknowledgements and Proceedings
by CAPT. JAMES L. MCVOY, USN (RET.) — Executive Director ..... July 31
ASNE DAY 1984 Awards:
Harold E. Saunders Award — ROBERT TAGGART ..... July 57
Gold Medal Award — CAPT. CHARLES H. PIERSALL, USN ..... July 61
Solberg Award — HOWARD O. STEVENS ..... July 65
"Jimmie" Hamilton Award — CAPT. JAMES W. KEHOE, JR., USN (RET.),
KENNETH S. BROWER & EDWARD N. COMSTOCK ..... July 67
Frank G. Law Award — DANIEL J. WEILER ..... July 69
ASNE Day 1984 — Banquet Address
"Navy Modernization and Sustainability"
by VICE ADMIRAL ROBERT L. WALTERS, USN
Deputy Chief of Naval Operations (Surface Warfare) ..... July 53
ASNE Day 1984 — Luncheon Address
"Future Possibilities: Data, Hardware, Software and People"
by COMO. GRACE M. HOPPER, USNR
Naval Data Automation Command ..... July 45
ASNE Day 1984 — "State-of-the-Society" Speech
by RADM. ADM. JAMES K. NUNNELEY, USN
President, ASNE ..... July 41
ASNE Day Technical Papers Comments and Discussions
Session 1A — Ship Acquisition and Modernization (May, 25-53) ..... July 73
Session 1B — Ship Auxiliary Systems (May, 55-75) ..... July 79
Session 2A — Ship Design (May, 77-127) ..... July 85
Session 2B — Combat Systems I (May, 128-148) ..... July 93
Session 2C — Hull Coatings (May, 200-217) ..... July 97
Session 3A — Combat Systems II (May, 149-168) ..... July 101
Session 3B — Systems Engineering (May, 169-199) ..... July 104
Session 4A — Hull Design (May, 218-242) ..... July 109
Session 4B — Ship Propulsion (May, 243-271) ..... July 117

ASNE Day Technical Papers:
Session 1A — Ship Acquisition and Modernization ..... May 25/39/47
Session 1B — Ship Auxiliary Systems ..... May 55/62/69
Session 2A — Ship Design ..... May 77/94/112
Session 2B — Combat Systems I ..... May 128/142
Session 3A — Combat Systems II ..... May 149/162
Session 3B — Systems Engineering ..... May 169/177/191
Session 3C — Hull Coatings ..... May 200/209
Session 4A — Hull Design ..... May 218/233
Session 4B — Ship Propulsion ..... May 243/252/262
Aspects of Corrosion Control in Ships' Tanks
by Robert Alexander Hartley ..... Jan. 33

B

Baitis, A. Erich *with* Terrence R. Applebee & Thomas M. McNamara
Human Factors Considerations Applied to Operations of FFG-8 and LAMPS MK III ..... May 191
Barker, Roger *with* George C. Mudd
Surface Hardened Naval Marine Gears with Reference to
Alternative Means of Surface Hardening ..... May 252
Baskerville, Cdr. James E., USN *with* Dr. Earl R. Quandt, Jr. & Michael R. Donovan
Future Propulsion Machinery Technology for Gas Turbine Powered Frigates,
Destroyers, and Cruisers ..... March 34
Bayly, Ian *with* Richard P. Voelkner, Ian F. Glen & Frederick Seibold
Arctic Trafficability Program — A Review ..... May 169
Bell, Gerald R.
The *New Jersey*-Tomahawk Story: From Retirement to Renaissance
— A New Strike Capability ..... May 149
Beverly, W.F. *with* John D. Adams
Technical Evaluation of the SES-200 High Length-to-Beam Surface Effect Ship ..... May 77
Boerum, Robert E. *with* Kevin P. Buck
Naval Ship Design Implications of the Collective Protection System ..... Sept. 29
Bohlander, Gerard S. *with* Herman S. Preiser
New Technology Antifouling Paints: U.S. Government Research and Assessment ..... Jul 125
Bowen, Thomas L. *with* Daniel A. Groghan
Advanced-Cycle Gas Turbines for Naval Ship Propulsion ..... May 262
Brice, Edward *with* Richard Dangel
Ship Energy Conservation Assist Team (SECAT) ..... March 47
Buck, Kevin P. *with* Robert E. Boerum
Naval Ship Design Implications of the Collective Protection System ..... Sept. 29
Burch, Gregory J.
"Cut and Splice" — A Method of Weight Estimating for Repeat Ship Design ..... Nov. 31

C

Cassedy, Cdr. W.A. Tyler, USN, *with* Lcdr. James D. Ertner, USN
Comparison of Naval Ship Design Procedures in U.S. and Canada ..... May 47
Castle, Joseph E.
U.S. Navy Shipboard Habitability Design Standards and Trends ..... Jan. 66
Chun, Stephen K. *with* Jeffrey J. Hough, Allen H. Engle & Siu C. Fung
Retrofitting of Bulbous Bows on U.S. Navy Auxiliary and Amphibious Warships ..... Nov. 40
Collective Protection System; Naval Ship Design Implications of the
by Robert E. Boerum & Kevin P. Buck ..... Sept. 29
Cologer, Christopher P.
Six Year Interaction of Underwater Cleaning with Copper Based Antifouling Paints On Navy Surface Ships ..... May 200
Combatant Ship Design Guidance Through Mission Effectiveness Analysis
by Dr. Dean A. Rains ..... May 112
Comparison of Naval Ship Design Procedures in U.S. and Canada
by Lcdr. James D. Ertner, USN & Cdr. W.A. Tyler Cassedy, USN ..... May 47
A Computer Model for Shipboard Energy Analysis
by Joseph P. DeTolla & Jeffrey R. Fleming ..... Sept. 33
Conrad, Reilly E., *with* Eugene R. Miller, Jr., Dr. Peter Van Dyke & Richard S. Lord
The Use of Real-Time Maneuvering Simulations in the Contract Design Evaluation
of a Salvage Ship ..... Jan. 53
The CONFORM Program — An Update
by Kenneth B. Spaulding, Jr. ..... May 94
Contract Design Evaluation of a Salvage Ship; The Use of Real-Time Maneuvering
Simulations in the
by Eugene R. Miller, Dr. Peter Van Dyke, Richard S. Long
& Reilly E. Conrad ..... Jan. 53
Converse, Robert A. *with* Lcdr. Kathleen K. Paige, USN
Rationale for an Ada Software Engineering Environment for Navy
Mission Critical Applications ..... July 133
Corrosion Control in Ships' Tanks; Aspects of
by Robert Alexander Hartley ..... Jan. 33

CRANE, ROGER M. *with* ALEKSANDER B. MACANDER
A Fiber Optic System for Damage Assessment of FRP Composite Structures ..... Nov. 52
Current Trends in Naval Data Handling Systems
by MARTIN WAPNER & RICHARD FASTRING ..... May 128
"Cut and Splice" — A Method of Weight Estimating for Repeat Ship Design
by GREGORY J. BURCH ..... *Nov. 31*

D

DANGEL, RICHARD *with* EDWARD BRICE
Ship Energy Conservation Assist Team (SECAT) ..... March 47
DAY, WILLIAM G., JR., *with* WEN-CHIN LIN, JEFFREY J. HOUGH, ROBERT G. KEANE, JR. DAVID A. WALDEN, IN-YOUNG KOH
An Advanced Methodology For Preliminary Hull Form Development ..... July 147
Design for *New Jersey, Iowa* and *Des Moines* Modernization
by PHILIP J. SIMS, JAMES R. EDWARDS, SR., LCDR. ROBERT L. DICKEY, USN & H.S. SHULL ..... May 25
Design Considerations in the Design Architecture of Salvage Ships
by WILLIAM I. MILWEE, JR. ..... March 59
Detection — A Modern View
by ROBERT T. HILL ..... May 162
DETOLLA, JOSEPH P. *with* JEFFREY R. FLEMING
A Computer Model for Shipboard Energy Analysis ..... Sept. 33
Development of Long Life Antifouling Paints and Shipboard Evaluation
by CHRISTOPHER P. COLOGER ..... Jan. 25
DICKEY, LCDR. ROBERT L., USN *with* PHILIP J. SIMS, JAMES F. EDWARDS, SR., & N.S. SHULL
Design for *New Jersey, Iowa,* and *Des Moines* Modernization ..... May 25
DONAHUE, CDR. JOHN C., USN *with* EDWARD J. MCMAHON & LOUIS W. NELSON
FFG-7 Class Fin Stability System ..... May 62
DONOVAN, MICHAEL R. *with* CDR. JAMES E. BASKERVILLE, USN & DR. EARL R. QUANDT, JR.
Future Propulsion Machinery Technology for Gas Turbine Powered Frigates, Destroyers, and Cruisers ..... March 34

E

EDITOR'S CLIBOARD: All Ships Can Be Sufficiently Protected With Available Fire Control and Weapons (An Essay)
by CAPT. TORBJORN HULTMAN, ROYAL SWEDISH NAVY ..... Jan. 77
EDITOR'S CLIBOARD:
Letter to the Editor — "Accreditation Board Searches for Staff"
by CDR. JOHN D. ALDEN, USN (RET.) ..... Sept. 89
Letter to the Editor — "Restoration of U.S. Technological Leadership Called For"
by UNDER SECRETARY OF DEFENSE R.D. DELAUER, RESEARCH AND ENGINEERING ..... Sept. 89
A Mine Warfare Renaissance ..... Sept. 89
Adm. Shear Recounts Maritime History ..... Sept. 90
The Members' Comment on Bylaw Amendments ..... Nov. 69
EDWARDS, JAMES R., SR., *with* PHILIP J. SIMS, LCDR. ROBERT L. DICKEY, USN, & N.S. SHULL
Design for *New Jersey, Iowa* and *Des Moines* Modernization ..... May 25
88 & 49 YEARS AGO
Contract Trial of the U.S. Armored Cruiser *Maine*
by CHIEF ENGINEER A.W. MORLEY, USN ..... Jan. 80
Further Discussions on Notes on E.H.P. Calculations.
Reply to Discussion by Lieut. H.A. Schade (CC.), USN
by HENRY F. SCHMIDT ..... Jan. 86
88 & 50 YEARS AGO
Relation of the Duties of the Naval Engineer Officers to the Problem
by PASSED ASSISTANT ENGINEER JOHN R. EDWARDS, U.S. NAVY ..... July 162
Immersion of Propellers ..... July 163
89 & 50 YEARS AGO
On the Necessity and Value of Scientific Research in Naval Engineering Matters as Related to the U.S. Navy, and the Necessity of an Engineer Training for the Younger Members of the Engineer Corps of the U.S. Navy
by PASSED ASSISTANT ENGINEER F.C. BIEG, U.S. NAVY ..... March 87
The Development of Military Weapons Since the Civil War
by M.E. BARKER, CAPTAIN, CHEMICAL WARFARE SERVICE ..... March 89
Energy Conservation Assist Team (SECAT); Ship
by RICHARD DANGEL & A. EDWARD BRICE ..... March 47
ENGLE, ALLEN H. *with* STEPHEN K. CHUN, JEFFREY J. HOUGH & SIU C. FUNG
Retrofitting of Bulbous Bows on U.S. Navy Auxiliary and Amphibious Warships ..... Nov. 40
Equipment Age-Reliability Analysis
by JAMES W. PRICHARD ..... Sept. 65
ERTNER, LCDR. JAMES D., USN *with* CDR. W.A. TYLER CASSEDY, USN
Comparison of Naval Ship Design Procedures in U.S. and Canada ..... May 47

Evolution of Navy Ship Sewage Systems — Gravity Through Vacuum Collection
by MILTON W. RAUPUK, JR. ..... May 55
Experiences with Reverse Osmosis Desalination Aboard USS *Fletcher*
by WAYNE L. ADAMSON, JOSEPH F. PIZZINO, & WILBUR SMITH ..... May 77
Extension and Application of Ship Design Optimization Code (SHIPDOC)
by RICHARDSON, WILLIAM M. *with* WHITE , WILLIAM N. ..... May 177

F

FASTRING, RICHARD *with* MARTIN WAPNER
Current Trends in Naval Data Handling Systems ..... May 128
A Fiber Optic System for Damage Assessment of FRP Composite Structures
by ROGER M. CRANE & ALEKSANDER B. MACANDER ..... Nov. 52
Fiber Optic Technology to Shipboard Use; Near and Far-term Application of
by RONALD A. SWAIN & DAVID C. POYER ..... July 165
FITZSIMMONS, P.A. *with* M.N. PARKER, A.Y. ODABASI & C.J. GOGGIN
Advanced Technology in Ship Design Analysis and Production ..... May 233
FLEMING, JEFFREY R. *with* DETOLLA, JOSEPH P.
A Computer Model for Shipboard Energy Analysis ..... Sept. 33
FFG-7 Class Fin Stabilizer System
by CDR. JOHN C. DONAHUE, USN, EDWARD J. MCMAHON & LOUIS W. NELSON ..... May 62
FUNG, SIU C. *with* Stephen K. CHUN , JEFFREY J. HOUGH & ALLEN H. ENGLE
Retrofitting of Bulbous Bows on U.S. Navy Auxiliary and Amphibious Warships ..... Nov. 40
Future Propulsion Machinery Technology for Gas Turbine Powered
Frigates, Destroyers, and Cruisers
by CDR. JAMES E. BASKERVILLE, USN, DR. EARL R. QUANDT, JR., & MICHAEL R. DONOVAN ..... March 34

G

Gas Turbine Powered Frigates, Destroyers, and Cruisers; Future Propulsion
Machinery Technology for
by CDR. JAMES E. BASKERVILLE, USN, DR. EARL R. QUANDT, JR. &
MICHAEL R. DONOVAN ..... March 34
GLEN, IAN F. *with* RICHARD P. VOELKER, FREDERICK SEIBOLD & IAN BAYLY
Arctic Trafficability Program — A Review ..... May 169
GOGGIN, C.J. *with* M.N. PARKER, A.Y. ODABASI & P.A. FITZSIMMONS
Advanced Technology in Ship Design Analysis and Production ..... May 233
GROGHAN, DANIEL A. *with* THOMAS L. BOWEN
Advanced-Cycle Gas Turbines for Naval Ship Propulsion ..... May 262

H

Habitability Design Standards and Trends; U.S. Navy Shipboard
by JOSEPH E. CASTLE ..... Jan. 66
HARTLEY, ROBERT ALEXANDER
Aspects of Corrosion Control in Ship's Tanks ..... Jan. 33
HILL, ROBERT T.
Detection — A Modern View ..... May 162
HOUGH, JEFFREY J. *with* WEN-CHIN LIN, WILLIAM G. DAY, JR.,
ROBERT G. KEANE, JR., DAVID A. WALDEN, IN-YOUNG KOH
An Advanced Methodology for Preliminary Hull Form Development ..... July 147
HOUGH, JEFFREY J. *with* STEPHEN K. CHUN, ALLEN H. ENGLE & SIU C. FUNG
Retrofitting of Bulbous Bows on U.S. Navy Auxiliary and Amphibious Warships ..... Nov. 40
HULTMAN, CAPT. TORBJORN, ROYAL SWEDISH NAVY
EDITOR'S CLIPBOARD: All Ships can be Sufficiently Protected with
Available Fire Control and Weapons (An Essay) ..... Sept. 77
Human Factors Considerations Applied to Operations of FFG-8 and LAMPS MK III
by A. ERICH BAITIS, TERRENCE R. APPLEBEE & THOMAS M. MCNAMARA ..... May 191

J

JOHNSTON, JACK L.
Materials Problems in Underwater Mines ..... Nov. 57

K

KEANE, ROBERT G., JR. *with* WILLIAM C. SANDBERG
Naval Architecture for Combatants, A Technology Survey ..... Sept. 47
KEANE, ROBERT G., JR. *with* WEN-CHIN LIN, WILLIAM G. DAY, JR,
JEFFREY J. HOUGH, DAVID A. WALDEN & IN-YOUNG KOH
An Advanced Methodology for Preliminary Hull Form Development ..... July 147
KOH, IN-YOUNG *with* WEN-CHIN LIN, WILLIAM G. DAY, JR., JEFFREY J. HOUGH,
ROBERT G. KEANE, JR. & DAVID A. WALDEN
An Advanced Methodology for Preliminary Hull Form Development ..... July 147

L

LIN, WEN-CHIN *with* WILLIAM G. DAY, JR., JEFFREY J. HOUGH, ROBERT G. KEANE, JR. DAVID A. WALDEN, IN-YOUNG KOH
An Advanced Methodology for Preliminary Hull Form Development ..... July 147
LORD, RICHARD S. *with* EUGENE R. MILLER, JR., DR. PETER VAN DYKE, & REILLY E. CONRAD
The Use of Real Time Maneuvering Simulations in the Contract Design Evaluations of a Salvage Ship ..... Jan. 53

M

MACANDER, ALEKSANDER *with* ROGER M. CRANE
A Fiber Optic System for Damage Assessment of FRP Composite Structures ..... Nov. 52
Maneuvering Simulations in the Contract Design Evaluations of a Salvage Ship; The Use of Real Time
by EUGENE R. MILLER, JR., DR. PETER VAN DYKE, RICHARD S. LORD & REILLY E. CONRAD ..... Jan. 53
Materials Problems in Underwater Mines
by JACK L. JOHNSTON ..... Nov. 57
Mechanical Handling of Airships
by LT. D.M. MACKEY, USN ..... Nov. 81
MENSH, DENNIS R.
Ship Combat System Simulation (SCSS) ..... May 142
MCMAHON, EDWARD J. *with* CDR. JOHN C. DONAHUE, USN & LOUIS W. NELSON
FFG-7 Class Fin Stabilizer System ..... May 62
MCNAMARA, THOMAS M. *with* A. ERICH BAITIS & TERRENCE R. APPLEBEE
Human Factors Considerations Applied to Operations of FFG-8 and LAMPS MK III ..... May 191
MILWEE, WILLIAM I., JR.
Design Considerations in the Design Architecture of Salvage Ships ..... March 59
MILLER, EUGENE R. *with* DR. PETER VAN DYKE, RICHARD S. LORD & REILLY E. CONRAD
The Use of Real Time Maneuvering Simulations in the Contract Design Evaluations of a Salvage Ship ..... Jan. 53
Mission Effectiveness Analysis; Combatant Ship Design Guidance Through
by DR. DEAN A. RAINS ..... May 112
Modernization; Design for *New Jersey, Iowa & DesMoines*
by PHILIP J. SIMS, JAMES R. EDWARDS, SR., LCDR. ROBERT L. DICKEY, USN & H.S. SHULL ..... May 25
MUDD, GEORGE C. *with* ROGER BARKER
Surface Hardened Naval Marine Gears with Reference to Alternative Means of Surface Hardening ..... May 252

N

NAPPI, NATALE S. *with* RONALD W. WALZ & CHRISTOPHER J. WIERNICKI
The "No Frame" Concept — Its Impact on Shipyard Cost ..... May 218
Naval Architecture for Combatants, A Technology Survey
ROBERT G. KEANE, JR. & WILLIAM C. SANDBERG ..... Sept. 47
Naval Ship Design Implications of the Collective Protection System
by ROBERT E. BOERUM & KEVIN P. BUCK ..... Sept. 29
Naval Ship Design Procedures in U.S. and Canada; Comparison of
by LCDR. JAMES D. ERTNER, USN & CDR. W.A. TYLER CASSEDY, USN ..... May 47
NELSON, LOUIS W. *with* CDR. JOHN C. DONAHUE USN & EDWARD J. MCMAHON
FFG-7 Class Fin Stabilizer System ..... May 62
A New Approach to Overhaul Repair Work Planning
by BERTRAM D. SMITH, JR. ..... Jan. 59
The *New Jersey*-Tomahawk Story: From Retirement to Renaissance
A New Strike Capability
by GERALD R. BELL ..... May 149
New Technology Antifouling Paints: U.S. Government Research and Assessment
by GERARD S. BOHLANDER & HERMAN S. PREISER ..... Jun 125
"No Frame" Concept — Its Impact on Shipyard Cost
by NATALE S. NAPPI, RONALD W. WALZ & CHRISTOPHER J. WIERNICKI ..... May 218

O

ODABASI, A.Y. *with* M.N. PARKER, P.A. FITZSIMMONS & C.J. GOGGIN
Advanced Technology in Ship Design Analysis and Production ..... May 233
Organotin Antifouling Paints and the Environment — Drydock Phase
by CARL M. ADEMA & PAUL SCHATZBERG ..... May 209
Overhaul Repair Work Planning; A New Approach
by BERTRAM D. SMITH ..... Jan. 59

P

PAIGE, LCDR. KATHLEEN K., USN *with* ROBERT A. CONVERSE
Rationale for an Ada Software Engineering Environment
for Navy Mission Critical Applications ..... July 133
PARKER, M.N. *with* A.Y. ODABASI, P.A. FITZSIMMONS & C.J. GOGGIN
Advanced Technology in Ship Design Analysis and Production ..... May 233
PIZZINO, JOSEPH F. *with* WAYNE L. ADAMSON & WILBUR SMITH
Experiences with Reverse Osmosis Desalination Aboard USS *Fletcher* ..... May 69
POYER, DAVID C. *with* RONALD A. SWAIN
Application of Fiber Optic Technology to Shipboard Use: Near and Far-term ..... July 165
PRICHARD, JAMES W.
Equipment Age-Reliability Analysis ..... Sep 65
PRIESER, HERMAN S. *with* GERARD S. BOHLANDER
New Technology Antifouling Paints: U.S. Government Research and Assessment ..... Jul 125
Professional Engineering Registration and the Naval Engineer
by ROBERT J. SCOTT, P.E. ..... March 81

Q

QUANDT, EARL R., JR. *with* CDR. JAMES E. BASKERVILLE, USN &
MICHAEL R. DONOVAN
Future Propulsion Machinery Technology for Gas Turbine Powered
Frigates, Destroyers, and Cruisers ..... March 34

R

RAINS, DR. DEAN A.
Combatant Ship Design Guidance Through Mission Effectiveness Analysis ..... May 112
Surface Combatant Technology Directions for the U.S. Navy ..... March 69
Rationale for an Ada Software Engineering Environment for Navy Mission
Critical Applications
by LCDR. KATHLEEN K. PAIGE, USN & ROBERT A. CONVERSE ..... July 133
RAUPUK, MILTON, JR.
Evolution of Navy Ship Sewage System — Gravity Through
Vacuum Collection ..... May 55
Relation of the Duties of the Naval Engineer Officers to the Problem
by PASSED ENGINEER JOHN R. EDWARDS, USN ..... Nov. 78
Retrofitting of Bulbous Bows on U.S. Navy Auxiliary and Amphibious Warships
by STEPHEN K. CHUN, JEFFREY J. HOUGH, ALLEN H. ENGLE & SIU C. FUNG ..... Nov. 40
RICHARDSON, WILLIAM M. *with* WILLIAM N. WHITE
Extension and Application of Ship Design Optimization Code "SHIPDOC" ..... May 177

S

Salvage Ships; Design Considerations in the Design Architecture of
by WILLIAM I. MILWEE, JR. ..... Mar 59
SANDBERG, WILLIAM C. *with* ROBERT G. KEANE
Naval Architecture for Combatants, A Technology Survey ..... Sept. 47
SCOT, ROBERT J., P.E.
Professional Engineering Registration and the Naval Engineer ..... March 81
SCHATZBERG, PAUL *with* CARL M. ADEMA
Organotin Antifouling Paints and the Environment — Drydock Phase ..... May 209
(SECAT); Ship Energy Conservation Assist Team
by RICHARD DANGEL & A. EDWARD BRICE ..... March 34
SEIBOLD, FREDERICK *with* RICHARD P. VOLEKNER, IAN F. GLEN & IAN BAYLY
Arctic Trafficability Program — A Review ..... May 169
Sewage Systems — Gravity through Vacuum Collection; Evolution of Navy Ship
by MILTON W. RAUPUK, JR. ..... May 55
Ship Combat System Simulations (SCSS)
by DENNIS R. MENSH ..... May 142
SHULL, H.S. *with* LCDR. ROBERT L. DICKEY, USN, PHILIP J. DIMS & JAMES R. EDWARDS, SR.
Design for *New Jersey, Iowa & DesMoines* Modernization ..... May 25
The Ship Characteristics and Improvement Board — A Status Report
by STUART WILLIAMS ..... May 39
Ship Energy Conservation Assist Team (SECAT)
by RICHARD DANGEL & A. EDWARD BRICE ..... March 34
Shipboard Habitability Design Standards and Trends; U.S. Navy
by JOSEPH E. CASTLE ..... Jan. 66
"SHIPDOC"; Extension and Application of Ship Design Optimization Code
by WILLIAM M. RICHARDSON & WILLIAM N. WHITE ..... May 177
SIMS, PHILIP J. *with* JAMES R. EDWARDS, SR., LCDR. ROBERT L. DICKEY, USN & H.S. SHULL
Design for *New Jersey, Iowa* and *DesMoines* Modernization ..... May 25
Six Year Interaction of Underwater Cleaning with Copper Based Antifouling Paints on Navy Surface Ships
by CHRISTOPHER P. COLOGER ..... May 200

SMITH, BERTRAM D.
A New Approach to Overhaul Repair Work Planning ..... Jan. 59
SMITH, WILBUR *with* WAYNE L. ADAMSON & JOSEPH F. PIZZINO
Experiences with Reverse Osmosis Desalination Aboard USS *Fletcher* ..... May 69
SPAULDING, KENNETH B., JR.
THE CONFORM Program — An Update ..... May 94
Surface Combatant Technology Directions for the U.S. Navy
by DEAN A. RAINS ..... March 69
Surface Effect Ship; Technical Evaluation of the SES-200 High Length-to-Beam
by JOHN D. ADAMS & WALTER F. BEVERLY III ..... May 77
Surface Hardened Naval Marine Gears with Reference to
Alternative Means of Surface Hardening
by ROGER BARKER & GEORGE C. MUDD ..... May 252
SWAIN, RONALD A. *with* DAVID C. POYER
Application of Fiber Optic Technology to Shipboard Use: Near and Far-term ..... July 147

T

Technical Evaluation of the SES-200 High Length-to-Beam
by JOHN D. ADAMS & W.F. BEVERLY ..... May 77
Testing of a Magnetically Treated West German Diesel Engine
by LCDR. JAMES W. WHITE ..... May 243

U

Underwater Cleaning with Copper Based Antifouling Paints on Navy Surface Ships: Six Year Interaction of
by CHRISTOPHER P. COLOGER ..... May 200
U.S. Navy Shipboard Habitability Design Standards and Trends
by JOSEPH E. CASTLE ..... Jan. 66
The Use of Real-Time Maneuvering Simulations in the Contract Design
Evaluation of a Salvage Ship
by EUGENE R. MILLER, JR., DR. PETER VAN DYKE,
RICHARD S. LORD & REILLY E. CONRAD ..... Jan. 53
